Africa's Big 7

11-13 June 2024
Sandton, South Africa

Presentation of the **17 SMEs**
from
Comoros, Madagascar,
Mauritius and Seychelles

Who are we?

The **Enhancing Entrepreneurship and Business Cooperation Programme** (ENFA-OI) is a regional programme implemented by the Indian Ocean Commission (IOC) with the support of the European Union (EU).

Main objective:

Contribute to increasing economic opportunities for entrepreneurs of the IOC member states to promote sustainable development.

Our participation in Africa's Big 7

One of the core activities of ENFA-OI is to support the participation of MSMEs and Start-ups in international fairs and forums.

17 SMEs specialised in the seafood value chain have been selected following a call for participation to co-exhibit in the Indian Ocean Seafood Pavilion at the Africa Big Trade Fair in Sandton, South Africa.

Supported by the ENFA-IO programme, these SMEs are being mentored throughout the build-up phase by programme specialists, ensuring that they fully benefit from this enriching experience and an increased visibility to boost their activities on the international market.
